R2 Strong Proposal Development Program 2023 - 2024 Application

PI COMMITMENT

I have met with my department chair and have discussed the time commitment involved in participating in this program including a minimum of four hours per month in cohort sessions and one on one time as well as additional hours of individual preparation time for my specific proposal. I understand that completion and submission of an external proposal with an annual direct cost budget of \$150,000 or greater is required for participation in this program.

I agree to complete and submit a full proposal at the completion of the program.

CHAIR AND DEAN APPROVAL:

I have met with this applicant and we have discussed participation in the program, the time involved to fulfill the requirements of the program and the anticipated project / study. We have also discussed the faculty member's plan for scheduling and time management. My signature below signifies my approval for the faculty member's participation, my commitment to work with the Research Office on adjunct payment and my full support of this application.

The deadline for applications is 05/01/23 or 09/01/23 (for newly hired tenured/tenure-track faculty only).

While we recommend that interested faculty discuss their participation in this program with their unit chair and dean well in advance of submission *we require that the application is submitted for review and signature to their unit chair at minimum five business days prior to application deadline.* Up to ten applicants will be offered a slot for this cohort. Applicants will be notified by email regarding acceptance to the program by 05/12/2023 (or 09/12/23 for newly hired tenured/tenure-track faculty only). There is no dictated format for this application other than ensuring the sections and information listed above are included, the application form is signed and both the sections and signed forms are submitted as a single PDF to SponsoredPrograms@tcu.edu by the appropriate deadline.
